Environmental Label EU Ecolabel 046 for "converted paper products"
(2014/256/EU: Commission decision of May 2014)

Declaration

The RAL gGmbH assessed the application for the product

KÖHLERboard

submitted by **Albert Köhler GmbH & Co. KG** in respect of the basic award criteria document for "converted paper products" (EU Ecolabel 046), 2014/256/EU: Commission decision of May 2014.

The product is a **board substrate** that can be used for converted paper products.

Hereby RAL gGmbH confirms, that the product in the submitted form complies with the requirements for board substrates pursuant to criterion 1, part B (B1, B2, B3 and B4) and criterion 2. Criteria 3 to 10 apply to the converting process and therefore have not been checked.
